Bull & Female Sale

APRIL 3, 2021
1 PM | AT THE RANCH
HARDIN, MT

REISIG CATTLE
Reisig Cattle welcomes you to our 11th Annual Bull and Female Sale.

Being prepared, having what you need when you need it, and getting the right amount and right kind of help goes a long way in getting us through good and bad times. There are some things you just can’t prepare for, of course, and planning only gets you so far, but if you consider that life is less about what you get and more about what you do with what you get, you can accomplish almost anything. Sheer grit and determination have always been, and still are, exemplified everywhere in the cattle industry and optimism still reigns.

We are excited about our offering this year. All bulls have been 50K’d through Zoetis to increase our accuracy on EPD’s. Sale will be available on CCI.Live

Our feature bull, Reisig S Renown 9204 combines meat, muscle and structure. He is the surest footed bull we’ve ever offered. He will add pounds and profit wherever he goes. This year Reisig Cattle is also offering two elite donors: Pine Coulee Patsy A13 has been a herd standout. She is open and ready to flush. Also selling is JC Anita 12A – Don’t miss out on this foundation female. She is also open and ready to flush.

We hope to see you for pie and ice cream after lunch sale day! You are also welcome to join us to view animals and enjoy a meal together Friday evening, April 2nd 2021.

Call Dustin Reisig – (406)-350-1800 if you have any questions.

Sincerely,
Reisig Family

Bull & Female Sale | April 3, 2021 | at the Ranch, Hardin, Montana

Leaning Oak Ranch is a family owned ranch located in Okemah, OK. We raise angus based commercial cattle. We have been buying bulls and females from Reisig Cattle for four years now. Since we have purchased Reisig bulls to put on our commercial herd our weaning weights, carcass quality, feed efficiency and maternal traits have all shown noteworthy improvements. Our weaning weights on pastures we use Reisig bulls have been the heaviest calves the past 3 years. The carcass quality of our steers has increased significantly. Our steers are processed at the Tyson plant in Sioux City Iowa and last year they reported our steers had the highest carcass quality out of 6000 head processed that week. The feed efficiency of our steers is the best our fourth generation feedlot manager has seen on his family feedlot. Cargill completed the feed efficiency closeout showing only 6.67lbs dry matter per pound gained. We have noticed vast improvements on the replacement heifers we are developing as well. Our pelvic measurements have increased 16% and more mature reproductive tracts in our yearling heifers. The foundation cows of our program have remained the same over the past four years with all the evidence to these improvements being the genetic benefits of Reisig bulls. The bulls we have bought in the past have all preformed exceptional on conception rates and have proven to hold body condition for spring and fall breeding seasons. Being a family owned ranch docility is very important to us. Reisig bulls have been the best tempered bulls we have found. We highly recommend Reisig Cattle to everyone we meet and will continue to be loyal customers. The Reisig family are great hardworking people and offer great cattle.”

A big topped, big hipped beautifully designed bull with lots of Angus character. If you are looking for performance and maternal qualities **EZ MONEY** is the Bull for you.
REISIG SAFE GUARD 728
BUFORD OSAGE A932 x REISIG ELBA 3000
DOB 1/26/17  Reg#18949512

Reisig Safe Guard 728 is the combination calving ease bull with performance. Backed by excellence genetically on the top and bottom side of his pedigree. Like BC Lockout’s full sister, 4151, produced several Lot 1 bulls and Champion Pen of 3 sons at the National Western Stock Show.
Buford Elba 9000 is producing great ones, no matter the sire. Her production is second to none and her progeny has topped many sales across the country. Calving ease/feeder bull.

Semen $25 / Cert $30
Owner: BUFORD RANCHES LLC/ZWT RANCH/REISIG CATTLE

ZWT INTERVENTION 7363
SA V IMPACT 5595 x E A ROSE 918
DOB 5/3/17  Reg#18987241

ZWT Intervention 7363 was the high selling bull in the 2018 ZWT Annual Bull & Female sale. Intervention brings the word POWER BULL to an all new level. For starters he has a massive hip, that is as square as you can get.
Long as a freight train, sick fronted, and stands on a solid square foot. His dam is none other than the ultimate phenotype, maternal giant, "EA ROSE 918", also known as the dam of Brooking Bank Note. Rose has proven herself time and time again through progeny like pictured below, Brooking Rose 201, Brooking Rose 325, Soo Line 1019. The list goes on demanding top dollar.
Intervention will add length of body, which is pounds, and tons of red meat, with maternal built in genetically. Solid & frame.
